

### REMARKS

In the final Office Action, the Examiner rejected claim 11 under 35 U.S.C. § 112, ¶ 2, as being indefinite.

Further, the Examiner stated that claims 1-10 are allowed.

By this amendment, Applicants amend claim 11. No new matter has been added.

Applicants amend claim 11 to overcome the Examiner's 35 U.S.C. §112 rejection. Applicants respectfully submit that the claim is no longer indefinite and the amendments to the claim do not otherwise recite new limitations.

### Conclusion

Applicants respectfully request that this Amendment under 37 C.F.R. § 1.116 be entered by the Examiner, placing claim 11 in condition for allowance. Applicants submit that the proposed amendments of claim 11 do not raise new issues or necessitate the undertaking of any additional search of the art by the Examiner, since the amendments to the claim merely overcome the 35 U.S.C. § 112 rejection, without otherwise adding new recitations. Therefore, this Amendment should allow for immediate action by the Examiner.

Finally, Applicants submit that the entry of the amendment would place the application in better form for appeal, should the Examiner dispute the patentability of the pending claims.

Applicants respectfully request the entry of this Amendment, the Examiner's reconsideration of the application, and the timely allowance of the pending claims.

The final Office Action contains characterizations of the claims and the related art with which Applicants do not necessarily agree. Unless expressly noted otherwise, Applicants decline to subscribe to any statement or characterization in the final Office Action.

The Examiner is invited to call the undersigned at (202) 408-4157 if the Examiner deems that a telephone conversation would further the prosecution of the application.
